

International symposium on the development of neuronuclear medicine

Mar. 19, 2020 in Palace Hotel Tokyo

Time	Topic	Speaker	Moderator
10:30-11:00	Registration		
11:00-11:05	Opening ceremonies		Hiroshi Matsuda Congress Chair
11:05-11:10			Jun Hatazawa President of AOFNMB
11:10-11:35	Neuronuclear medicine in dementia	Tanyaluck Thientunyakit Siriraj Hospital, Thailand	Ming-Chyi Pai National Cheng Kung University , Taiwan
11:35-12:00		Pai-Yi Chiu Chang Bing Show Chwan Memorial Hospital, Taiwan	
12:00-13:30	Lunch		
13:30-13:55	Application of software programs to neuronuclear medicine	Hiroshi Matsuda National Center of Neurology and Psychiatry, Japan	Yaming Li China Medical University, China
13:55-14:20	Utility of eZIS software	Guang-Uei Hung Chang Bing Show Chwan Memorial Hospital, Taiwan	Yuthana Saengsuda Rajavithi Hospital, Thailand
14:20-14:45		Nasreen Sultana Purni National Institute of Nuclear Medicine and Allied Sciences, Bangladesh	
14:45-15:10	Brain Networks	Jiehui Jiang Shanghai University, China	Dehua Chui Peking University, China
15:10-15:30	Coffee Break		
15:30-15:55	Neuronuclear medicine in movement disorder	Cheng-Yu Wei Chang Bing Show Chwan Memorial Hospital, Taiwan	Satoshi Orimo Kanto Chuo Hospital, Japan
15:55-16:20		Chuantao Zuo Fudan University, China	
16:20-16:45	Neuronuclear medicine in stroke	Ekus Shimosegawa Osaka University, Japan	Sang Eun Kim Seoul National University, Korea
16:45-17:10		Yoo Sung Song Seoul National University Bundang Hospital, Korea	
17:10-17:15	Closing ceremonies		Batool Albalooshi Dubai Nuclear Medicine and molecular imaging center, UAE
